SC0105-14

DE Valves – ball valve

Holder/Issued to/Manufacturer

DE Valves Glamsbjerg A/S, Bodebjergvej 22, DK-5620 Glamsbjerg, Denmark.

Place of manufacture

DE Valves Glamsbjerg A/S, Bodebjergvej 22, DK-5620 Glamsbjerg, Denmark.

Product name and description

Models: Ball valves DN 20 – 400
Operating pressure: PN 25

Extent

According to Figure 1, in EN 488:2011, the valve (a) and valve extension pipe (b).

Certification

The product described above fulfils the requirements set out in SP's certification rules SPCR 126. The certification is verified by type test according to relevant parts in EN 488:2011.

Marking

Each product that conforms in all respects with the original item certified may display SP's certification symbol described in SPCR 126. Products entitled to display SP's certification symbol shall also show information on the manufacturer's/importer's name or trade mark, the number of the certificate, product name or other identification, identification of the testing method or standard and serial number or equivalent of the product. Marking shall be legible, durable and applied to the product or to its packaging.

Validity

This certificate is valid until not later than 17th March 2019.

Miscellaneous

The manufacturer's in-house inspection is under surveillance by SP in accordance with section 4 and 5 of SPCR 126. The extent of the surveillance inspection is described in Annex A to the standard EN 488:2011. Other terms and conditions are set out in section 6 of SPCR 126.
